

'COOKING UP HISTORY" Book II

Write your own family history following the questionnaire or answer the questions to the best of your ability & we will compose a story. Remember the story cannot be more than 500 words. Then submit this along with your favorite recipes (we may have to choose one that has not already been printed) and photo(s) of your family (mother, father, grand-parents etc.) You can return this to the Ladysmith Historical office Tues. or Thurs. between 9 to 2:30 or phone Isabelle at 250-245-2918.
